

Online Media Solutions

virtual BOARD ROOM

Gathering board members together in one place for a meeting can be a bit like herding cats. With Virtual Board Room (VBR), meetings can be held any time, from any location, with convenient online access for all your members.

Hold formal board meetings from any location for any size audience.

Increase meeting attendance and participation with online meeting room.

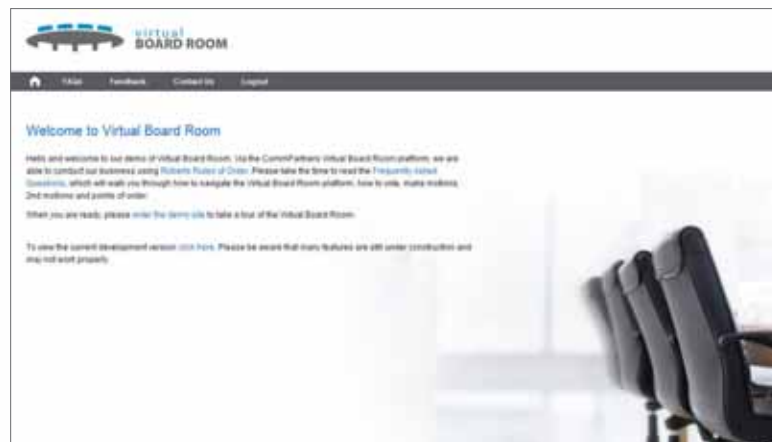

Virtual “secretary” eliminates note taking with audio-to-text transcriptions.

Generate accurate minutes from archived meeting recordings.

Automated archiving of all meetings makes research easier.

Moderator dashboard is easy to use and affords complete meeting control.

No software to download or install.

CommPartners You don't have to know how. You just have to know us.

OMS Virtual Board Room

Using Robert's Rules of Order, Virtual Board Room provides all the controls and features required for formal board meetings following Parliamentary procedure.

Moderator Dashboard Features

The Moderator controls the meeting including debates, viewing and managing motions and voting, using tools like a whiteboard with annotations, slide decks, application screen sharing, and even full video and web cameras.
