

# Dedicated Support Team

VIRTUAL CONFERENCE

## Overview

In addition to your dedicated project managers, we will assign our Attendee Support Team that will be on call for the entire virtual conference. This team will handle inquiries that come in from program participants via telephone, web chat or email. We will know when your sessions are occurring and we will be prepared to accept attendee inquiries.

## Support Options

There are 3 levels of support we can provide, based on your specific needs:

	Attendees Support	Session Management	Full Event Management*
Attendee Support	●	●	●
Moderate & support session from start to finish (up to 60 minutes)		●	●
Strategy session with each presenter			●
Meet with presenter in pre-conference for sound check, backup plans, final preparations			●
Moderate post conference feedback session			●

\* Based on availability
